

# CRAY CLUSTERSTOR E1000 – LEARNING PATH

Purchase using HPE Training Credits for Servers & Hybrid IT Services  
SKU = HF385A1/HF385E; (See Quantity of Credits per student below)

## Cray ClusterStor E1000 (Admin + Install Track)

Qty = 3.5 HF385A1/E per student (rounded up to 4 for only a single user)

## Cray ClusterStor E1000 (Install Only Track)

Qty = 0.75 HF385A1/E per student

Some Partners or Customer Engineers (CE) performing Installs only may choose this track, otherwise most students should attend the “Admin+Install” or “Admin only” track

HPE Training Credits can be purchased in whole numbers only. Calculate the total credits required based on the number of students and round up partial training credits to a whole number.

WBT: Self-paced, web-based training  
VILT: Virtual instructor-led hands-on training with remote lab equipment access
