# HPE GREENLAKE CORE TRAINING

## OBJECTIVES

HPE GreenLake customers are strongly encouraged to take the following four courses prior to workload-specific training. Our recommended learning path includes HPE GreenLake training, as well as ITIL® and security courses, to set the stage for more advanced workload services training. Click on the course icon to register.

**Learn key concepts and principles related to HPE GreenLake, including architecture, delivery models, consumption analytics, and the HPE GreenLake Central portal. Learn how to co-manage and efficiently utilize an HPE GreenLake infrastructure.**

**Tenant Administrators of the HPE GreenLake Hybrid Cloud environment will learn to manage public and private cloud services through the HPE GreenLake Central Platform. Service coverage includes Continuous Compliance, Consumption Analytics, and HPE GreenLake – including Private Cloud, Containers as a Service, and Machine Learning Operations.**

**Learn the best practice framework of ITIL 4 at a foundational level, as well as the service value system (SVS), the four dimensions of service management, the service value chain, the seven guiding principles, and service management practices.**

**Get equipped with the practical knowledge to understand the real cloud security issues and solutions with a comprehensive review of cloud security fundamentals and be prepared for the Cloud Security Alliance CCSK certification exam (exam voucher included).**

## KEY

- **Required course**
- Virtual instructor-led training (VILT)
- eLearning
- HPE Digital Learner
ADDITIONAL WAYS TO LEARN

LEARNING-AS-A-SERVICE

HPE Digital Learner is our learning-as-a-service solution that delivers unlimited access to online learning for IT and business professionals. The HPE Digital Learner content library contains curated learning paths with more than 5,000 hours of on-demand online training that subscribers have access to throughout the subscription term. HPE Digital Learner Bronze, Silver, or Gold subscriptions may complement or be an alternative based on preferred learning styles.

<td>12 months</td>
</tr>
<tr>
<td>HPE Digital Learner Silver</td>
<td>5</td>
<td>12 months</td>
</tr>
</tbody>
</table>

Contains hundreds of hours of content including:
- HPE GreenLake Fundamentals
- HPE GreenLake Administration
- ITIL 4 Foundations
- HPE courses across several technology areas, such as Cloud, Converged & Composable, Data & Analytics, Networking, Servers, and Storage

Contains thousands of hours of content including:
- All HPE Bronze subscription content
- Thousands of additional self-paced eLearning titles across multiple technology, productivity, collaboration, business skills areas.

HOW TO PURCHASE

HPE Training Credits provide flexibility and make it easy to acquire the training when needed. Customers may apply the credits toward elements of the core or alternate learning path as needed.

HPE recommends:
Quantity 10 of HPE Training Credits for Hybrid IT (SKU HF385A1) as the foundation for the HPE GreenLake learning journey (HPE GreenLake core training).

Additional training for the GreenLake workload solutions may be purchased by using the HPE Right Start Knowledge Bundles.
