

HPE Right Start Knowledge Bundle

HPE Synergy

Don't know where to start or what is important when it comes to initial skills and knowledge you need for HPE Synergy?

[Learn more](#)

[View now](#)

HPE Right Start Knowledge Bundles are designed to deliver essential skills and knowledge at the right point in time—so that you can quickly and effectively get up to speed on your new technology. HPE Right Start Knowledge Bundles are easy to consume with a combination of modalities that accommodate your work schedule. Each bundle includes five days (or less) of ILT/VILT training, plus access to additional self-paced training through HPE Digital Learner for a full 12 months. The self-paced training can be used as often as you like for reference and refresher learning.

These bundles can be purchased using HPE Education Learning Credits or HPE Education Learning Credits for Support Contracts. Each Bundle includes a recommended set of training, but you can choose to spend the Learning Credits on any training offered by [HPE Services](#).

Why HPE Services?

- Comprehensive worldwide [HPE technical, IT industry and personal development training](#)
- [Training and certification preparation](#) for ITIL®, Security, VMware®, Linux, Microsoft and more
- Innovative [training options](#) that match individual learning styles
- Anytime, anywhere remote learning via [HPE Digital Learner](#) subscriptions
- Verifiable [digital badges](#) for proof of training, skill recognition and career development
- Simplified purchase options with [HPE Education Learning Credits](#)

Audience

- Since every business is becoming a digital business facing increased IT complexity (new data sources, new business models, new threats), the HPE Right Start Knowledge Bundles are for all enterprises.
- This HPE Right Start Knowledge Bundle is most suitable for the following job roles:
 - System administrators, engineers and consultants
 - HPE Synergy customers

HPE Right Start Knowledge Bundle objectives

With the HPE Synergy Right Start Knowledge Bundle, you will be able to:

- Quickly and effectively gain essential skills and knowledge to administer and support HPE Synergy
- Accommodate your work schedule with a combination of modalities
- Introduce Composable Infrastructure domains (basic concepts) and HPE Synergy

HPE Right Start Knowledge Bundle outline

H0LN3S: HPE Synergy Administration

- This course provides instruction on HPE Synergy configuration, administration, management, troubleshooting and maintenance. This hands-on course covers day today administration skills on HPE Synergy Composer, storage module, compute modules, management, fabric connectivity, multi-domains and server profile management. Students also learn about HPE Global Dashboard features. For more details, see the [course data sheet](#).

HPEDigitalLearner Bronze Subscription

- HPE Digital Learner is a subscription-based online learning program that provides 12 months of unlimited access to an extensive library of HPE technology training. This service includes curated learning paths, hands-on via simulated and virtual labs, digital badges and more—available anytime, anywhere and at your own pace. For more information, please visit hpe.com/www/digitallearner.
-

These bundles can be purchased with HPE Education Learning Credits (70 units of H33XSE or H33XSA1 HPE Education Learning Credits for Compute IT Services) or with HPE Education Learning Credits for Support Contracts (HA167AC). For the HA167AC [contact](#) your HPE Services representative or HPE authorized partner for local pricing. Each bundle offers a recommended set of training, but the customer can choose to spend HPE Education Learning Credits on any [HPE Services](#) training course.
